

A new way to learn kannada in just 30 days. This online course is designed by experienced professionals of Telugu language. It is created with your convenience in mind and aims to provide you with the best possible learning experience. The program will teach you how to communicate, write, read and pronounce the language between English & Telugu . There are also plans for future updates so keep updated! For more details visit: <https://www.teluguletter.com/telugu-kanada-program.html> The goal of this course is to introduce you, with minimum fuss, to the basics of kannada language. You will be provided with the basic structure of the language and given a set of words and sentences to speak on a daily basis. The course is structured in such a way that each lesson builds upon the previous one - As you progress through the lessons you will learn vocabulary, grammar and pronunciation. You can even ask questions in kannada with our native speaker (fluent English & Telugu). The course also provides audio files for each lesson which are all downloadable allowing you to listen as well as read along. Main drawback of the course is that it's not updated with new words and sentences - But still a great place to begin learning this beautiful language. This class will teach you the basics in a fun and easy way. It is given in both English and Kannada. The lessons will help you learn basic grammar, vocabulary and structure of the language.
